

Client: Leading North American Retailer

Challenge: Personal Leadership Development Program

Optimé's innovative Leadership Skill Development Program, *Share the Lead*, teaches participants to understand and apply leadership techniques and facilitate a leadership style that recognizes the important balance between growing the business, the organization and personally. This is how participants evaluated the program:

Would you recommend this training program?

Participant Comments:

- This is what a seminar should be! The first seminar I really though met all of my criteria.
- The best training program we have ever had!
- I would love to learn more from Optimé. I learned a ton and had lots of fun.

Will you be able to apply the training to your daily work?

Participant Comments:

- I plan on practicing these skills every day of my life.
- Excellent session. Great learning and applied to all levels, which is often hard to do.
- Very upbeat, good timing, well executed.
- Workshops were great!

Optimé Facilitators:

- Demonstrated Expertise
- Projected Enthusiasm

Participant Comments:

- Outstanding! The best course ever offered. Thank you.
- Best T&D course yet! Excellent mix of theory & practical.
- I have never been to a more educational, enthusiastic and inspiring seminar! I absolutely enjoyed every minute of it.
- Excellent session.

Overall Seminar Rating

Participant Comments:

- An excellent seminar presented by highly professional and motivating individuals.
- I thought the course was well facilitated and provided great insight.
- The content was amazing. The course conductors were all outstanding. Thanks!
- Facilitators made the course interesting and kept it lively.
